APRIL IS YOUTH MONTH

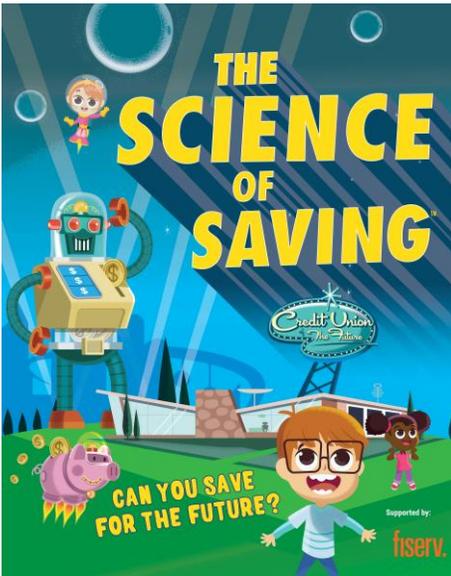

In April, Southwest Colorado Federal Credit Union is celebrating Youth Month, which is a program that helps teach and encourage kids to develop good financial habits.

A 2017 national survey found that almost 60% of Americans have less than \$1,000 in savings, and almost 40% had none.

So, if it's hard for adults, how do you teach your children to save? By turning it into a habit. Studies show that habits formed when you are young tend to stick. It's why you still brush your teeth every day – we hope!

If it's hard for adults, how do you teach your children to save? By turning it into a habit.

The theme this year is “The Science of Saving,” showcasing fun, sci-fi-inspired characters. Research shows that when you picture yourself in the future achieving a goal, like buying a car or going to college, saving for it becomes easier. This year's Youth Month

Southwest Colorado Federal Credit Union is celebrating Youth Month, which is a program that helps teach and encourage kids to develop good financial habits

April 27th for refreshments. Any youth who has made a savings deposit during the month will be eligible to win prizes!

ARE YOU ONLINE? DO YOU RECEIVE E-STATEMENTS?

We encourage our membership to sign up for FREE online banking and eStatements. Our system is *secure* and *convenient*. You're able to view account activity live and when you sign up for eStatements, you'll get a notification to log into online banking to retrieve it on the first business day of the month instead of having to wait. It typically takes until about the 12th of the month to receive a paper statement in the mail.
